

# CDU'S COVID-19 PROCEDURES FOR ALL FAMILIES & STUDENTS

---

- ☑ Dancers and parents/guardians are encouraged to arrive no earlier than 10 mins before their class time
- ☑ Prior to entering the building, all dancers and parents must adhere to self screening via QR Code and **MUST** sanitize upon arrival into the studio
- ☑ Outdoor shoes will be removed upon entry. Please ensure dancers have appropriate indoor dance shoes and all shoes are properly labelled as CDU will not be responsible for lost items.
- ☑ Change-rooms will be open. Dancers to wear a mask when in change rooms.
- ☑ Dancers will not be required to wear a face mask while dancing, but will be encouraged to do so.
- ☑ Teachers will be required to wear a mask when they cannot practice social distancing. The teachers will not be in direct contact with the students unless they have to provide additional support, assistance or must spot dancers to execute tricks. In this case, they will be required to wear a mask
- ☑ All staff, teachers and students will be required to wear a mask in common areas of the studio
- ☑ The last 5 minutes of each class will be used to clean and disinfect each room before the next class begins
- ☑ If a child has back to back classes, they will remain in the studio in their designated spots during the 5 minute clean up time
- ☑ Washrooms and commons areas will be cleaned frequently as well as thorough disinfecting cleaning procedures of the entire facility at the end of each day
- ☑ Hand sanitizer will be available upon entry as well as in each studio and at the front desk
- ☑ Hand washing and sanitizing policies and procedures will be posted throughout the facility
- ☑ If dancers have a break in their schedule, they will be asked to find a designated spot which will be taped off in the lobby or common area. These areas will also be cleaned after after each break
- ☑ If needed, CDU is prepared to pivot to online classes based on the in-studio schedule

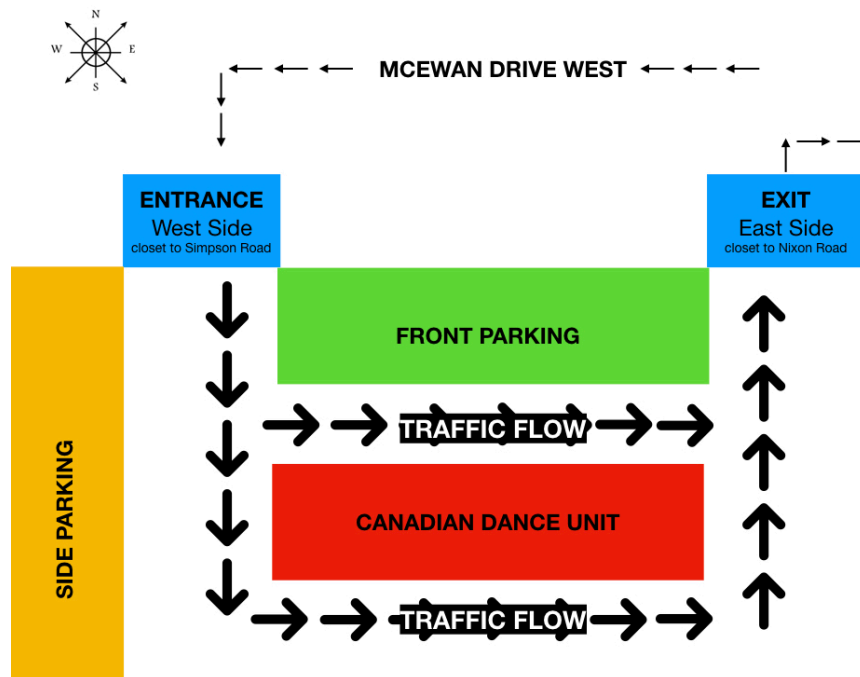

## DANCERS 5 AND UNDER

- ☑ Only 1 parent/guardian (no siblings) will be allowed in the building to drop off and wait. Parent/guardian must wear a mask and maintain social distancing
- ☑ Dancers will be required to wear a mask while in the common areas of the studio. They will not be required to wear a mask while dancing, but will be encouraged to do so.
- ☑ Upon arrival into the studio, dancers and parents/guardians will be asked to take a seat in the lobby area which will be marked with social distancing measures. Teachers will collect the dancers and bring them into the studio and place them to their assigned dance zone
- ☑ Dancers will be let out 5 mins before the end of class, parents/guardians must be there to collect the dancer and exit the building

## DANCERS 6 AND UP

- ☑ Parents will be allowed to enter the building for drop off and pick up, but due to limited capacity in the building, parents are not permitted to wait inside.
- ☑ Dancers will be required to wear a mask while in the common areas of the studio. They will not be required to wear a mask while dancing, but will be encouraged to do so.
- ☑ Dancers will go directly to the marked areas outside of the studio room door where they will wait, maintaining social distancing, until the teacher allows them in the room. Once entered, teachers will assign them to a spot with social distancing measures
- ☑ To avoid congestion in the parking lot and lobby area, parents/guardians are asked to be there on time to pick up the dancer. Children will be let out once their ride has arrived

## TRAFFIC FLOW GUIDE

# ADDITIONAL COVID-19 PROCEDURES

We will be following the advice of our public unit and the protocols outlined for the school boards which include:

- All staff and students must self-screen every day before attending class
- If a student or staff member is experiencing symptoms of COVID-19, they must stay home from dance and should consult their health care provider
- Signs will be posted at the entrance of the studio to remind students, staff, parents/caregivers, and essential visitors of screening requirements
- Parents are expected to screen their child daily for symptoms of cold, flu, or other symptoms associated with COVID-19 using the Self-Assessment Tool developed by the Province of Ontario
- Teachers will not be screening students, however if teachers observe a child that is ill, parents/guardians will be called to pick up the child from the studio promptly
- Sick students will be placed quickly in isolation in a safe and designated space with staff supervision until they can be picked-up
- Physical distancing will be conducted as often as possible
- All staff will be practicing good hand hygiene by washing hands or using hand sanitizer frequently throughout the day

Our website will be updated daily with the most current information, protocols and safety measures as well as an easy-to-use and extremely helpful Online Parent Portal![www.canadiandanceunit.com](http://www.canadiandanceunit.com)

Subscribe to our [YouTube channel](#) where we will be sharing informative videos, clips from past competitions and so much more!

## IF SOMEONE AT THE DANCE STUDIO TESTS POSITIVE FOR COVID-19

We will be following all procedures and protocols outlined by Peel Public Health.

Persons who have been confirmed to have tested positive through the public health process will be prohibited from attending the studio until they are cleared from Public Health. Persons who test negative will be able to return to the studio once they are symptom free for 24 hours.

### Peel Public Health will:

- contact the student/ parents or staff member who tests positive
- work with the dance studio to identify close contacts
- make recommendations for testing and isolation
- determine whether a class or the studio needs to be closed
- be assured there is a clear communication process, so you will know if an individual at the studio tests positive for COVID-19 and whether any closures will take place

## STAYING HOME AND BEING SENT HOME

If your child is not feeling well, has travelled outside of Canada within 14 days, or has been in close contact with someone who has or is suspected to have COVID-19, they must stay home. It's important that students be symptom free without medication. If your child has a fever, do not treat the fever with medication and then send them to dance. If your child gets sick while at dance, they will need to be picked up as quickly as possible.
